## ***Inspiration*<sup>™</sup> FAQ's**

### **What is an *Inspiration*<sup>™</sup>?**

It is an electronic blade cutting system. The *Inspiration*<sup>™</sup> is the first computerized system created from the ground up expressly for the crafting market. Other computerized cutting systems are existing sign making cutters repackaged for the scrapbooking market.

### **What is the price?**

\$599 retail

### **What is included in the *Inspiration*<sup>™</sup> package?**

The *Inspiration*<sup>™</sup> cutter

*Inspiration*<sup>™</sup> Design software

1 blade

1 12" x 14" mat

Instruction manual and tutorials

300 images

### **When will the *Inspiration*<sup>™</sup> be released?**

The *Inspiration*<sup>™</sup> will ship the first quarter of 2008.

### **Who would use the *Inspiration*<sup>™</sup>?**

The *Inspiration*<sup>™</sup> is a personal paper cutter geared towards the home crafter who wants the versatility of being able to cut many different types of materials to enhance their projects. The *Inspiration*<sup>™</sup> is lightweight and graceful enough to be part of any home. Teachers, Scout leaders and Sunday School teachers can also use the cutter to cut multiple projects and save precious time.

### **Does the *Inspiration*<sup>™</sup> come with a warranty?**

The *Inspiration*<sup>™</sup> is covered by a one-year factory warranty against manufacturing defects. Pazzles<sup>™</sup> will repair or replace your *Inspiration*<sup>™</sup> during this time at our cost.

### **What is the size and weight of the *Inspiration*<sup>™</sup>?**

The *Inspiration*<sup>™</sup> weighs 12 lbs. and is 21 ½" wide x 6" high x 10" deep

### **What size papers can the *Inspiration*<sup>™</sup> cut?**

The *Inspiration*<sup>™</sup> cuts 12" x 24" or roll stock vinyl

### **What kinds of paper can the *Inspiration*<sup>™</sup> cut?**

The *Inspiration*<sup>™</sup> cuts vellum, vinyl, paper up to 110 lb cover, cardstocks such as Bazzill, Color Mates, Double Mates, Treasures and Prism, thinner chipboards, stencil plastic, transparency plastic, thin magnet material, stiffened fabric, Art Emboss foil sheets, textured papers, suede paper, flocked paper and poster board, freezer paper, and Pazzles<sup>™</sup> exclusive stamp material and iron on materials. Using our additional tools, the *Inspiration*<sup>™</sup> **Embosses** on vellum and foiling metals; **Draws** with your favorite brands of thin and thick markers; **Creates** one of a kind papers and designs using bleach or inks with our fill-able and refillable Creative Marker; **Engraves** on metal, foil, glass, plastic and wood; **Pierces** paper, vellum, and Art Emboss foil, and **Distresses** on white core papers.

### **How large can I cut my titles, letters and designs?**

The *Inspiration*<sup>™</sup> cuts: 12"x 12" page overlays, ¼" x ¼" to 12" x 23" letters or 1/8" to 23" images.

### **Does it need a computer to run?**

You will need the following to run the *Inspiration*<sup>™</sup>:

A PC or Laptop running Windows XP with updates or Vista

One USB port

### **How do I feed the paper into the *Inspiration*<sup>™</sup>**

The *Inspiration*<sup>™</sup> has an auto-feed feature allowing you to load the paper at the touch of a button.

### **How does it cut images?**

The *Inspiration*<sup>™</sup> uses a tiny blade that cuts the paper as it follows the design created on your computer screen. Installation of the software is streamlined to be quick and easy! Once installed, connect the *Inspiration*<sup>™</sup> to your PC or Laptop and begin creating using the included video tutorials. You can be up and cutting images in no time.

### **Can I create designs in your software and cut them out?**

Yes, you can create your own designs using the software's easy drawing tools. If you don't feel artistic you can scan in drawings, photos and graphics or import images like jpg and bmp files. Then automatically convert them to cutting format.

### **Can I create titles and letters and cut those out?**

Yes, Our *Inspiration*<sup>™</sup> Design software recognizes all True Type fonts already loaded on your computer. Choose your font, type your title and connect the letters to create joined titles or you can cut individual letters if you choose.

### **Can I purchase images?**

Yes, you can purchase our stock images on CD. We have 39 CD's each containing an average of 100 images. The images are ready to size and cut on your *Inspiration*<sup>™</sup>. We also offer our CD's in 7 money saving sets and also 8 designer page kit CD's. You can also download individual images from our website. Images cost \$1.00 to \$3.00 depending on the complexity of the design. We are adding to our image collection all the time!
